How to Access and Download your completed reports (two methods)

1. The completed report will be uploaded to the “FILES” section of the specific Case for that patient. You will receive an email when a new file has been shared with you. Click on “FILES” at the top menu bar after accessing the desired Case. On the next screen, click the box to the left of the PDF document. This will place a check mark in the box and the “DOWNLOAD” button will appear under the patient’s name.

The screenshot displays the user interface for accessing and downloading reports. At the top, there are three tabs: "TASKS", "FILES", and "CLIENT TALK". The "FILES" tab is highlighted with a red box. Below the tabs, the patient's name "DOE, JOHN CBCT" is displayed. Underneath, there is a section titled "Tasks" with a table header: "#", "Priority", "Title", and "Assignee". A red box highlights the "DOWNLOAD" button next to the file "Doe, John CBCT.pdf". A red arrow points to the checkbox next to the file name.

- Alternatively, the completed report can be accessed and downloaded by clicking on “Files” → “My Cases” and then selecting the desired patient from the list.

- After selecting the patient, click the box to the left of the PDF document. This will place a check mark in the box and the “DOWNLOAD” button will appear under the patient’s name.

- You can also download the completed report from the default viewer. Click on the file name if you wish to view the PDF document in the platform.

- The download icon is located at the top right corner of the screen when viewing the report.

6. Please contact us if you need any assistance using the different sections of the platform. We are more than happy to schedule a Zoom meeting with you to demonstrate the case submission process and answer any questions you may have.
